Shinohara Keishi

CHARACTER & STORY

Kirisaki Gakuen has the rule: "Love is forbidden." Saika chased
her beloved childhood friend into this school's normal section, and
in order to become a good match for him, she has put 10 years
of effort into playing "clean and cute".

One day, however, she was seen by Special Section's Problem Child,
Kirisaki Shin and caught his eye. It's been very hard since she
became the center of the school's attention!

Even though Shin was just intending to play with her, he truly fell
in love and confessed to her! Though it should have been terrible,
both Saika and Shin are slowly becoming charmed with each other.
On the other hand, Keishi has become aware that Saika likes him.
He was confessed to, and Saika left him speechless. At that time,
Shin decided to move into Saika's class!
